Virtual Care, Anywhere

24/7 Access to Certified Doctors and Therapists. Avoid the wait.

MDLIVE’s industry-leading HIPAA and PHI-compliant, cloud-based platform helps consumers, health plans, health systems and self-insured employers obtain better, faster care that’s more convenient than visiting a doctor’s office and far more cost-effective than going to the ER or Urgent Care for routine ailments.

1. Activate - Get started online or download the app
2. Select - Choose a doctor
3. Consult - See a doctor via phone or secure email
