

# WHAT IS THE ROLE OF A **TAFT-HARTLEY** THIRD-PARTY ADMINISTRATOR?

In the Taft-Hartley industry, third-party administrators (TPAs) play a vital role in supporting multiemployer and self-insured benefit plans.

## Did you know?

Established in 1944, Zenith American Solutions has been managing Taft-Hartley benefit plans since its inception, setting the standard as an industry leader and innovator in benefits administration. In fact, the founding of the company itself actually precedes the Taft-Hartley Act of 1947!

As one of the most experienced TPAs in the United States, Zenith American Solutions offers a comprehensive range of benefit administration solutions tailored to the unique needs of our clients and their plan participants.
